

DIY FOOD KIT

It's a website where We supply kits contening all that you need for cooking your favorite recipes.

WHO ARE WE ?

We are a group of students from Palermo , we want to bring our project outside of Italy. With this project we want to bring our typical dishes out of our city. We want to supply a local service for who can't go to the supermarket and want to have the kit at home.

IN OUR PROJECT THERE ARE PROS AND CONS

Our points of strength are :

- you can make a genuine dish by yourself.
- You can cook without going to the supermarket.
- We guarantee safe food for those who can't/don't eat some kinds of food.
- You can increase your cooking skills

Our cons are :

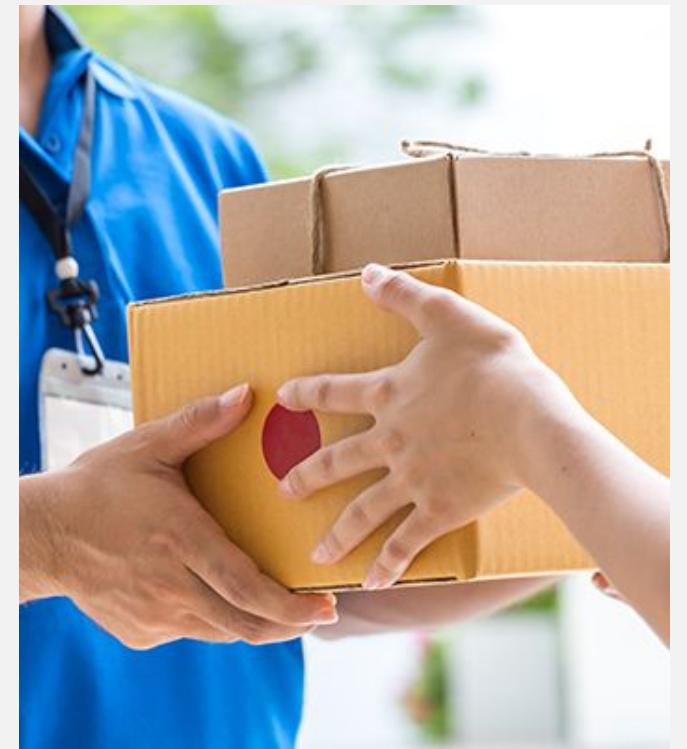

- Finding local and season food.
- Delivery time and competitors

EXAMPLE OF AN ORDER

You can order your kit through the website. You can do the order from your home.

In a short time you will have your kit through our deliveries, You can pay at the delivery or by credit card, the delivery is free.
